As he is provided with Govt quarters, rent at the rate of 1/10 of his salary is perhaps being recovered from his pay, as is usually the case where quarters are provided to Govt officers at the cost of Govt, when not entitled to free quarters. The Sub Asst Surgeon & the local bodies, consider that the rent now levied on the building is too high for the accommodation provided therein, and that it might be reduced to Rs 5/- and that this amount should

To

B. Nagappa, Esquire., Bar- at- Law.,

Local and Legislative Departments, Bangalore.

Sir,

I have the honour to state that Mr. Mohammed Moosa Sub Assistant Surgeon of Pavagada submitted an application praying that the rent of Rs. 9/- which he had been paying under the Rules in force for his Government quarters, was too high -- and that it may be borne proportionately by the District -- board . the Taluk Board and the Pavagada Municipality, on the -- ground that his co-officials like the Amildar. the Taluk -- Sheristadar, the Inspector were paying less rent for their -- houses which were 3 or 4 times bigger in size and enjoyed far - better comforts than he, and that it was also the intention of Government that the rent on MedicalOfficers' quarters should be borne by the respective local bodies etc,.

2 The matter being referred to the Municipal Council and the Taluk Board of Pavagada for opinion, the former on a careful consideration were of opinion that the quarters did not deserve more than Rs. 4/- per month, as rent, as compared ~~as~~ with the rent on similar buildings in the locality; that the present rent was in excess by Rs. 5/- and agreed to bear one half of this excess amount of rent every month.

3 The Taluk Board similarly agreed to bear the -- remaining half of the excess amount.

4 Thus both the local bodies have agreed to bear --

bear Rs. 2/8/= each per month to make a rent or Rs. 5/- on the building.

5. In this connection, I may also bring to your notice that the question of the payment of house rent to the Medical Officers by the localbodies concerned at the rate of Rs. 5/- in the case of Sub Assistant Surgeons in places where they are not provided with quarters has been under the consideration of Government, and it may be presumed that it has been intended to levy this same amount of rent even in places where Government Quarters have been provided for them.

6. Under these circumstances, I request that early sanction of Government may kindly be accorded, 1stly for the payment of Rs. 2/8/0 each by each of the local bodies referred to, and 2ndly that the rent of the Sub Assistant Surgeons' quarters be fixed at Rs. 5/- in-stead of Rs. 9/-.

7. A copy of the resolution passed by the District Board -- in the matter is also enclosed for reference.

Sir,

With reference to your No.L.1162, dated 6/8/24, anen allowing the Sub Assistant Surgeon Pavagada to occupy the quarters intended for him on a rent of Rs.5/- to be met by the local bodies, I have the honor to state that the salary of the Sub Assistant Surgeon being Rs.87 plus 10, he is said to be paying a rent of Rs.9/- as per Government Order No.P.W.1908-58/Medl.10289-10339, dated 8/6/21, in accordance with which rent is fixed at 8% of the capital cost subject to a maximum of 10% of the salary of the officer occupying the building and not on the rental value obtaining in a particular locality. It is obviously not fair to the Sub Assistant Surgeon to make him pay Rs.9/- to a building whose local value is reported to be only half the amount. The local bodies seeing the unfairness have resolved to pay from their funds Rs.5/- a month to which they propose to reduce the rent. As the Sub Assistant Surgeon deserves the grant of free quarters, I request sanction to the proposal of the Board to meet Rs.5/- from their funds and if the P.W.D.cannot be induced to remit the balance of Rs.4 the same may be kindly authorised to be paid from the Medical Budget, so as to allow the Sub Assistant Surgeon to occupy the quarters free of rent as is done all over British India.
